Owner's Pictorial Guide For The Care And Understanding Of The Pace Bell Slot Machine (Owner's Pictorial Guide)

Synopsis

The Pace Bell slot machine was a marvel of engineering simplicity. This comprehensive manual covers all standard-size mechanical models of this remarkable slot machine. Approximately 350 detailed photographs are accompanied by step-by-step instructions for all routine maintenance operations as well as complete disassembly, overhaul, lubrication, assembly and theory of operation. The Pace machine's design has stood the test of time, as evidence by its continued use through the 1980s in several Nevada casinos. Since many of these machines have been retired from casino service and are being acquired by collectors, an entire chapter has been devoted to casino variances and added-on devices. With this manual and a few simple tools you will be able to analyze and correct nearly any problem you may encounter with your Pace slot machine. This is the second printing of the popular first edition. Size: 8.5" x 11".

Book Information

Paperback

Publisher: Mead Co; 1st edition, 2nd printing edition (June 1983)

Language: English

ISBN-10: 0934422036

ISBN-13: 978-0934422031

Product Dimensions: 0.5 x 8.5 x 11.2 inches
