I bought this book to give to a long time friend who was the guest of honor at a surprise birthday party. While it is funny, some of the remarks are a little off-color. Also it is really aimed at men (which the guest of honor was, fortunately.) I don't think women would find the jokes about balding and impotence funny.

An entertaining look at the aging process. The author has a keen eye and sharp wit when it comes to our obsession with staying young. There are lots of memorable quotes and quips to share with friends and family. I found it to be a nice little conversation piece and welcome addition to our coffee table. Guaranteed to amuse and highly recommended for all!

This had alot of sexual humor, which may be embarrassing if given in mixed company. Also, I would recommend this more for a man rather than a woman.

I expected the book to be bigger in size. It's the size of an adult hand. The jokes are ehrrrrrr ok. I don't think my father will read it but for \$5 it was not too bad of a gift. It's not a quiz....it's jokes about aging.

60 is the new 40, or so I've concluded from this punchy joke book for the well over 50 set. A fun book that will surely produce knowing groans for those of us closing in on our second adulthood.

I gave this to my brother for his 60th birthday. It was kind of out of character for me to give a funny gift, but, 60th is different. He was very pleased and was laughing when he went out the door. The price was great, also.

I gave this to a dear friend of mine who was turning 60 but doesn't look or act a day over 59 lol!..He and his family really got a kick out of the book..The author has a fun way of looking at the "new 60" ..very appropriate for anyone who enjoys a little humor in their lives

This book was a gift for a friend just turning 60. They loved it. I have since given it to several other folks "turning" 60.Great fun at a party to read and pass around. Appropriately priced for a "gag" gift. Also fun to ask others to sign or write a note in the book as a keepsake for that special 60 year old.
