Customer Reviews

What ? They need to know the meaning of the term - 'JOKES' ..I absolutely did not like this book.. Worthless..Seriously ??' Yo Mama was so dirty when she shook her hair out , your little sister yelled - " Look , its snowing " ! ' ??!! EewYuck - DON'T waste your time..

These jokes are solo funny I was in class and I couldn't stop laughing you need to get this book.

I had fun reading this book.it was interesting.it could have been more fun if you put more in it.thanks for listening.

I was very disappointed in this book. To me, if it's an "encyclopedia," it should be the most comprehensive listing of Yo Mama jokes. This book had a little over 100 I think. Lots of other books out there have more than that. Also, the production quality was terrible. I literally could've printed a better copy at home. I've attached a picture to show how little proofing was done (with the section titles on a separate page than the jokes). And last, the jokes weren't that great. My kids come up with better ones than that. The one picture I attached demonstrates that as well. My advice is to go with a different book. Not sure why it has a "best seller" medal on the front. I guess because people buy it because they were sucked in by the word "encyclopedia" too. :(

I think this book is the FUNNIEST!!!!!!!!!!!!!! You should get this book it is small but it is awesome and funny!!!!!!

Okay, it's really just the Jr. Higher in me that even wanted to buy this book and it was definitely worth the 99 cents I spent to have it on my kindle so that I can text and posts constant yo mamma jokes to my pals throughout the day in between shifts at work and stuff. I did hope to get a lot more original material but it's a solid collection of mostly jokes that I forgot. Again, I probably shouldn't have expected a whole lot more than what I got but I'm a stingy reviewer in the first place so 3 Stars it is.

I liked it very much, but some is a little mean. It is a good book to tell my friends, and cousins. My cousin Trent loves yo mama jokes. It is very funny to do yo mama jokes. I also love yo mama joke.

This book is good for joking on mean kids at school or a joking contest you will be the first place winner!
