1812: A Traveler's Guide To The War That Defined A Continent

Synopsis

This official guide to the War of 1812 takes readers on a fascinating tour of the prominent historical sites in both Canada and the U.S. Timed for bicentennial celebrations continuing through 2015, this guide is published in partnership with the U.S. National Park Service and Parks Canada, and is ideal for travelers who love history. Relive the epic battles of the War of 1812, from Fort McHenry--where Francis Scott Key was inspired to pen "The Star Spangled Banner"--to Tippecanoe, Queenston Heights, Horseshoe Bend, and Chalmette. This lushly illustrated, handy guidebook--the only one that contains both U.S. and Canadian sites--is the official U.S. National Park Service and Parks Canada guide to the War of 1812. It takes you to all war-related landmarks--from the shores of the Great Lakes, up and down the Eastern Seaboard, all the way south to New Orleans--and to such renowned attractions as the USS Constitution, Governors Island, and the White House, infamously torched in 1814 during the Chesapeake Campaign. Evocative text explains how the war played out, as well as tourist insights and how to visit each site. Fun, fact-filled sidebars; a milestones timeline, key biographical sketches; detailed visitor information; and colorful, easy-to-read maps make this a must-have souvenir for anyone joining in the bicentennial festivities and interested in the War of 1812.

Book Information

Paperback: 128 pages

Publisher: National Geographic (May 14, 2013)

Language: English

Customer Reviews

This is a typical National Geographic product - nicely produced, however it is TINY. The picture is misleading because the design looks like it is the size of a regular NG publication but it is only 5" by 7" with tiny print.

The book was interesting, and I learned some new things. The one drawback was that it was more of a travel companion than a history book. Which I probably could of guessed from the title, but the description made it seem like more of a history book.

If you want to learn more about this little known and understood war and would like to visit the sites closest to your home, this is the guide to buy.

Beautiful Design and very informative. If you are an American History buff this is a must for your library. Great price.
