Great book. Got it for my dad as a gift and it was a huge success. It's great to bring out during parties to have a good laugh. The jokes are hilarious. There are some slow sections of the book (there are 1000 limericks, they can't all be 5 star). But when you get to the good ones, you will remember them for weeks. If you are sensitive to crude, sexual, or discriminatory jokes, this isn't for you. I took off one star for the "ehh" limericks during the slow parts of the book. I will definitely recommend it though.

A ;little bit of innocent (if naughty) fun turned into an embarrassment. These limeriks are for the most part really DIRTY. so dirty that I didn't find them too funny. Watch out for yourself. It might just be better to swap limeriks in a bull session (cows included). than to go wholesale like this. Be your own juge, I/m just sayin.....

I think this is a fun book. It is good for killing time if you are waiting in line somewhere. People will wonder why you are smiling. There are some really good limericks and some poor ones. but they will all cause some kind of reaction.

An excellent addition to my collection of limerick books. I am currently reading it for the second time!
I can't seem to get to bed early!
