Customer Reviews

This book is a very fun and entertaining story. I love how even though Steve was a noob, he kept on fighting for the villagers. You should definitely write more books; it doesn't matter if you are new. I hope my review gives you some inspiration!

My kids and I really enjoyed reading this book. This has a different feel than some of the other Minecraft books we have read...and we have read a lot of them! This was a good book; albeit short. We are getting book two now.

The answer is... IT GOT BETTER IS BOOK 9!!!! YEAY!!! One of my favourite authors from my authors list! Favourite Authors: 1. Crafty Nichole 2. Cube Kid 3. Steve The Noob 4. Winter Morgan Please write LONGER books!!!!!!!!! This is awesome good job- Owlfeatherr

1 question. Why do u make your books so short? i mean, GREAT ideas and characters, but U COULD'VE MADE IT LONGER. Other than that, great. I've already read book #9, and i think u should make a #10, too.

My 8 year old son is a Minecraft fan. While choosing ebooks, he got very excited when he saw Steve on the cover of a book. Once we read one, he was hooked. He wanted to read several in one night. We are happy we found this series. Thank you.

Hi it's PigMaster4000 again!! I just realized I have not reviewed book 1, 2, 3 and 4. I'm too lazy to write reviews on every book so I'm just reviewing book 1. This won't be a long review. This book wasn't too long and wasn't too short, I would read this book if I were you. This author makes books monthly (and the books aren't bad). Soon there will probably be 20 books in this series by this author. I am expecting a lot more books from this author, if you have read Cube Kid or Crafty Nichole's books you should definitely read this book. This book is called Steve the Noob and the author's name is Steve the Noob. Some people got confused and thought this book was by Crafty Nichole. -PigMaster4000 Mini spoilers for books 2, 3 and 4: p.s. If Steve doesn't read this part I will probably say it again in my next review: Can you have a villager name Arceus but people call him FocusAndFire while in combat. (Arceus is one of the bow classes, you choose, He's called

FocusAndFire for a reason!)

AWESOME@! I like it because u worked so hard and it was so awesome! So Steve suddenly spawns in a flat world and get chased by slimes. Then he stumbles into a village and he became a defender for the small village. Now he planned to build a wall, not with stone or anything like thatâ | he built it with dirt. Now since they weren't finished with it Steve shot arrows at the mobs and killed them. Night passed and morning came. All the villagers cheered Steve the noob and time passed and it was nighttime. Before nighttime approached everyone finished the wall. Instead of staying inside of their homesâ | they went out to celebrate. But 5 minutes later the monsters broke in and was turning villagers into zombie villagers. One villager said " WHO TOLD YOU TO BUILD A WALL MADE OF DIRT!???!?! now night passed and Steve was the only survivor in the village and he went away.coolshinwon07--

this book is seriously awesome and i hope other books are like this too.P.S. plz could you put me on your list ? i would like to see my name there. P.P.S.plz call me sid please and thanks you
