Diary Of Steve The Noob 15 (An Unofficial Minecraft Book) (Minecraft Diary Of Steve The Noob Collection)

Synopsis

Due to the increase in size of this document, I am required to raise the base price of this book. As of right now, it is impossible for me to set the price at \$0.99. The system won't allow it because my book file is over 3mb. For future books, I may have to reduce picture count or reduce the quality of the pictures, or I may just try to write more to justify the price increase? Idk. Anyway, sorry for the inconvenience. 18,000 words with 30 pictures. Whuuuuut? I don't even know...#15 is finally here! Sorry for the delay, but here it is, my longest book ever. :) Have fun reading #15. It is about to get interesting is all I'm gonna say... :D Disclaimer: This book is a work of fanfiction; it is not an official Minecraft book. Customer Reviews

KEY:STN = Steve the NoobNK = Nether kitten (by Cubekid, a really popular Minecraft author).....STORY-TIME:.....Hey! Im back from a sleep-away camp! That is why I am reviewing this book really late. So I come back from camp and go straight to my kindle. I search up the normal stuff: Marcus Emerson, Gary Paulsen, and more stuff then I get to CubeKid and I'm like "If there is no new book from CubeKidâ | NETHER KITTEN 3!!!". So I download the book, then I search up Steve the Noob. I was expecting book 15 because Steve the Noob makes books monthly, and there it was, Steve the Noob 15!!! And then I downloaded it and OMG that was the best cliff-hanger ever.-----To_The_Author----- When I got this book I wasn't sure what to read first, Nether kitten or Steve the Noob. I knew that NK would be longer and that STN would be fun but shorter. So I went with STN and it was long. Like longer then NK (or at least it felt like it). I saw one typo in NK and one in STN. I forgot where I saw it in STN, but in NK after the book in the note he wrote to his readers at the very end he spelled enough like this; oenough something like that bit I cant check. You can be better then CubeKid, STN you are getting better you have better pictures (and you don't take 5 months to make a book xD). My point is CubeKid is losing his touch._____{}AAAAAAAAAAAAAAAAAAAAAAAAAAAA
AAAAAAAAAAAAAAAAAAAAAAAAAAAAThis book was Simply amazing. I loved it! Lets seeâ | Where did book 14 end off, I forgot.

Dude...OMG!!!! This book was so amazing! It was so funny! (This is a kid on his moms account) So anyways, I would recommend this book to ANYONE who likes Minecraft, action and adventure!STAN (AKA Steve The Anti-Noob) has written another fun and attractive Diary of Steve The Noob! I was so excited to read this book when I found it yesterday and it took me a day to download it, but it was totally worth it.xXSPOILER ALERTXx Do not read this part if you did not read the book, for I fear of the author losing the money he deserves.Steve's wheelchair and his cast burned off when he touched the lava in the trench and he started running around! 50 push ups are really hard, I can't do any. Anyways, I'm gonna do some right now.HUFFPUFFThat...was hard.Gavin has returned! I'm not telling what happened.xXEND OF SPOILERSXxxXIDEASXxWhen the army attacks, miraculously, two humans fall out of the sky and there is a girl and a boy. The boy lands on top of Gavin, the girl lands on top of the boy. The army runs away in fear. Gavin wriggles out of the grip of their weight and sprints away so fast, not even a mine art on powered rails could catch up!Boy: Reiliegh, your butt is in my face.Girl: Sorry!The boy is Italian and he has

blondish-brown hair. You can make the girl whatever you want her to look like and you could give the boy a name. Or, you can make a custom boy and girl! So they introduce themselves and Alex thinks she's stronger than them, although they are already warlocks and they just fell from the sky fighting boss mobs. They secretly train Steve and he reaches level 40. After they train, he is so tired he couldn't move!
