Revolutionary Horizons: Past And Present In Bolivian Politics

Synopsis

A comprehensive study of insurrection in Bolivia, from the late eighteenth century to the present day. In an age of military neoliberalism, social movements and center-Left coalition governments have advanced across South America, sparking hope for radical change in a period otherwise characterized by regressive imperial and anti-imperial politics. Nowhere do the limits and possibilities of popular advance stand out as they do in Bolivia, the most heavily indigenous country in the Americas. Focused on the history of indigenous and national-popular struggles for self-government from the eighteenth through the twentieth centuries, *Revolutionary Horizons* also traces the rise to power of Evo Morales's new administration, whose announced goals are to end imperial domination and internal colonialism through nationalization of the country's oil and gas reserves. In doing so, Hylton and Thompson provide an excavation of Andean revolution, whose successive layers of historical sedimentation comprise the subsoil, loam, landscape, and vistas for current political struggles in Bolivia. *Revolutionary Horizons* offers a unique and timely window onto the challenges faced by the Morales government and by the South American continent alike.

Book Information

Paperback: 202 pages

Publisher: Verso; First Edition edition (November 17, 2007)

Language: English

ISBN-10: 184467097X

ISBN-13: 978-1844670970

Customer Reviews

I didn't like this book as much because I'm not a scientific thinker and I struggle with reading historical accounts. However, this book is well-written and interesting--just for someone else, not the likes of me.

An excellent work. It is an example of serious historical scholarship about the important changes in Bolivia. Don't be put off by the alphabet soup of the different parties involved; there is a list of acronyms at the end of the book. The history of valient indigenous resistance to oppression is a fact of life in our hemisphere that most Northamericans are ignorant of (excepting of course Native Americans). I witnessed much of this and was thrilled to see the progress in this country where my wife and children were born. My time there led me to write the book that is linked to this review. I dedicated it to Luis Espinal, a hero who fell in the struggle to bring about the changes that are beginning to be seen in the country. Gringos, recommend it to your Latin Freends. Hispanos, conozcan mi libro. Viva Evo! ¡Escucha y Habla Inglés!: Claves de Gramática y Pronunciación del Inglés para Hispanos (Spanish Edition)
