Down's Syndrome (Young Explorer: What's It Like?)

Synopsis

Introduces young readers to conditions and disabilities that may affect them, or their friends and family. Each title discusses what the condition is, how it can be treated, how it affects everyday life and what it is like to have these conditions. This book contains a clear definition of each illness or condition and includes a 'how you can help' section offering contact details and further information and advice.

Customer Reviews

I bought this book for my daughter's kindergarten class. Nice simple explanations of kids learning but slower, maybe needing help in class or other aids. Nice pictures of typical not just extra cute kids with DS and some adults too. Wish it ended with someone in a real job not a workshop.
