Store > Kindle eBooks > Nonfiction > Sports > Football (American)

Customer Reviews

I have purchased this author's previous Consistency Guides and can easily say they are "consistently" one of the best tools in my fantasy football research arsenal. In addition to reviewing last season's efforts and drawing conclusions regarding a player's consistency, this book offers looks into the 2016 season with educated opinions to help you shape a consistent fantasy football roster. Every fantasy football player has grown tired of having a great team score one week only to be followed up by an embarrassing score the next. Bob Lung will help you get past that by showing you which players are consistently strong scorers and how to use this information to your advantage.

Good read and draft information like the tier structure for draft.sleepers late in the draft helpful.good

stat information related to clutch factor
