TEXAS HOLD'EM: How To Play Texas Hold'em For Beginners

Synopsis

How to Play Texas Hold'em for Beginners + Free Gift Inside! If you enjoy playing standard poker but are looking for something with a bit more strategy and a much higher potential, then Texas Hold'em may be just the thing for you. Texas Hold'em is currently more popular than ever and the detailed analysis available in Texas Hold'em: How to Play Texas Hold'em for Beginners will provide you with everything you need to know to be backdooring a case card off the river in no time flat. The book discusses the history of Texas Hold'em and how it rose from obscurity to become the most popular type of poker around before discussing the stats and facts you need to know in order to make proper betting decisions regardless of the cards you have in your hand or where you are seated at the table. It also offers a complete guide on how to choose the right online poker site for you. Inside you will find The true story on how a handful of professional poker players from Texas started the Texas Hold'em trend by looking for rich gamblers to play against. A complete guide to all the slang and poker jargon you need to talk like the pros (and know what they are talking about). The top ten hands you should always keep pre-flop. The top ten hands you should throw away in almost any situation. The way in which sitting in the four positions should factor into your pre-flop assessment. The benefits of using a decision tree. Tips to make sure your bankroll survives your learning curve. And moreâ |

Customer Reviews

Find out how to win consistently and develop an adaptive, skilled game with this guide to every aspect of Texas Hold 'Em. With clear explanations of the rules, the hands, scoring, the odds and the betting systems, it will give you all the information you need to get started. It will also help you learn

how to play online, warning you of the pitfalls and helping you to better 'read' your opponents and develop strategies for success. Featuring killer insights from an author with decades of experience in every aspect of the gaming world, this is an essential handbook for anyone who dreams of being a poker king - or queen.

Texas Holdem is one of the more popular versions of poker. I've been meaning to learn the game because my husband loves it so much and has always played it with his friends.. I've been curious why and this book has taught me all I needed to know. I am excited because my husband has finally agreed to play with me and I think this book will help me beat him.

This is a great book. It's well-written, well-organized, informative and entertaining. I highly recommend it for both beginning and intermediate players and it contains advanced theory and tips which will help even most advanced players.

This is exactly what I am looking for. It was a huge help indeed. I play it mostly for fun with small stakes or at online tournaments. This book is purely for beginners, but it has some good advice worthy of keeping in mind. There are basic rules in here, poker hands and all that, and there is some beginners strategies and more. Likewise the style of writing was easy to understand and precise. This is an excellent guide to Texas holdem poker. It touches the basics of the game from understanding poker hands to knowing when to fold, check, call and raise, understanding before and after flop and many more brilliant techniques that let you master the game in no time. The author did a great job.,

This is an excellent guide to Texas holdem poker. It touches the basics of the game from understanding poker hands to knowing when to fold, check, call and raise, understanding before and after flop and many more brilliant techniques that let you master the game in no time. The strategies are laid out neatly that makes this book easy to read and understand.

I gained so much knowledge from this book into how to play Texas Holdâ™em, Ive played this card game before but never really knew how to play it properly, but now I do. This book gives you all the information, strategies and tips into how to play this card game like a pro and itâ™s a book I would recommend getting if you want to learn about the game.
