Customer Reviews

This book is very well organized, the questions are smartly targeted and as the title states, it's MASSIVE. Quite obviously this was a labor of love and even though I just started Volume 1, I already know I'll be buying Volumes 2 & 3 when I'm finished. On a personal note to the author, looking at the quality of the material and the 3,400 questions that your three volumes encompass, I would very much like to talk to you about the possibility of turning the books into a video game. If you are reading this, please let me know if this is something that might interest you.

Wow! You think you know your Bible pretty well? Start going through the quizzes, etc. in this collection and you might be surprised. This book is very well researched and, in my opinion can be fully trusted on its' content. Whether you want to just have some fun or use this as a tool for your ministry it would be very difficult to find so many facts packed into any other book.

This collection of Bible trivia questions (with included answers) has helped make learning Bible facts

fun and easy for all ages. Questions range from easy to difficult so every age group and experience level is challenged. A great ice breaker for family devotions, Bible study groups, or Sunday School classes.

This book was OK but it was not what I was looking for. I wanted more of the spiritual aspects of the Bible and this wasn't it. But I guess if you're a REAL Bible scholar and want to test your knowledge, this book would be fine.

Love these books! Great to use for Sunday school class and for myself! I can see how much I really know....I only wish they were offered in paperback, I still like the old book way.

Love learning from this book about the Bible. Good approach to learning about the Bible. Seems to be biblically correct.

Very quick to find the categories you want for games of Bible trivia for any age group. Kids to youth/adults.

I love it and working my way through all of the questions. Have a lot to learn but it's fun.
