Barron's Law Dictionary (Barron's Legal Guides)

Synopsis

This latest edition has been updated with new and revised definitions to keep it current and at the forefront of essential information for those seeking a timely legal resource. It includes recent modifications in federal and state law, making it a quick-reference guide for law students, legal professionals, and interested laypersons. The author defines more than 5,000 legal terms, using nontechnical language that remains legally accurate. Terms are documented with citations and apply to civil procedure, commercial and contract law, constitutional law, criminal law, property law, and torts. This title is also available in a larger trim-size trade edition with bigger type.

Customer Reviews

This dictionary has met my expectations! I bought this dictionary for my criminal justice class. Haven't used it but seems like it would be easy to find words and flip over the pages as the book is 8inx4.5in GREAT SIZE! Slightly thick (608+ pages) but not heavy. Though font is quite small. Cover-aesthetically pleasing; leathery-feeling Overall, I like this dictionary! Would recommend!
